

2016 Connecticut State Association Pistol Shooters at Camp Perry Ohio

This year thirteen of us made it out to the 2016 National Championship hosted at Camp Perry Ohio. We had two Expert teams.

The selection of who will be shooting for the team matches is who shoots the best in their individual national match score.

This is why some of us didn't get to shoot on the team, or elected not to shoot to give new shooters the chance to participate.

The shooting conditions this year was a great improvement from last year, we didn't need our hip boots. On the .22 day the weather was beautiful but not for us experts on the third relay. The typical wind did pick up and continued on through the team matches.

This year we went out there with four first time shooters at Perry. I have to give them all a round of applause for holding it all together.

Several of our Connecticut shooters made us all very proud.

First:

On the .22 phase of completion two Connecticut members made the Mayleigh Cup Team Match.

This is an international postal match competing against other Countries around the world. The Mayleigh Cup competitors are chosen based on their scores from (.22 Caliber Slow Fire Match) and the slow fire stage of (.22 Caliber National Match Course). The top ten and two alternates are chosen to shoot 30 shots, slow fire, at 50 meters.

Fifteen shooters are chosen, and then all fifteen shooters shoot a prelim 10 shot match to determine what twelve shooters will be shooting for record.

The top ten scores of the twelve are used for their Mayleigh Cup score.

First time out at Perry Karen Pizzitola made the team and Shane Murphy was an alternate.

Second:

Still in the .22 phase, Karen Pizzitola came in High Women shooting an 870-24X.

Third:

The President 100 match day Frank Savino came in 24th shooting a 367-06X

Fourth:

EIC Distinguish .45 match Gary Berman is now a new distinguish shooter, shooting a 264-03X
