

2021 Connecticut State Association Pistol Shooters at Camp Perry Ohio

This year twelve of us Connecticut pistol shooters made it out to the 2021 CMP Championship hosted at Camp Perry Ohio. The match was well run and a lot of shooters from across the country came and had a great time. The total number of pistol shooters this year was 285 competitors for the .22 phase, 276 competitors for the CF and 241 competitors for the .45 phase.

We had two Expert teams:

I have to say that the shooting conditions this year wasn't as nice as the 2019 condition, but at least we weren't inundated with those Mayflies, and very little rain and wind.

Several of our shooters had some outstanding performances this year.

We had four new shooters go out there this year for the first time and they did a great job.

Kate Brown just missed making the President 100 for the second time by one point.

Nathan Zajac earned 4 points toward his distinguish pistol

Bill Druckrey has earned his distinguish pistol badge

Congratulations to all of our new shooters.
