

2015 Connecticut State Association Pistol Shooters at Camp Perry Ohio

This year eleven of us made it out to the 2015 National Championship hosted at Camp Perry Ohio. We had two teams, Expert and Sharpshooter.

The selection of who will be shooting for the team matches is who shoots the best in their individual national match score.

This is why some of us didn't get to shoot on the team, or elected not to shoot to give new shooters the chance to participate.

The shooting conditions this year was another wet one, and let me tell you it was the muddiest condition I ever shot in of all my 33 years going out there. On the .22 day some of us didn't even go out to shoot the individual match because it was raining so hard. On our relay it was misting so hard and having the wind coming straight at us, putting many rain drops on our scope and glasses making it hard to determine which red dot to use.

We were ankle deep in water, and mud on all ranges. Range four had many problems with the turning targets, which made team matches run a lot later than normal.

Below is this year's team picture:

**2015 team members are from left to right:
